Speech Language and Hearing Sciences

The Department of Speech Language and Hearing Sciences offers the Master of Science in Speech Language Pathology. The department also offers a certificate in Bilingual Speech-Language Pathology.

Admissions Requirements

Students who are interested in admission to the MS in Speech Language Pathology will use an external system called CSDCAS. Admission requirements for this program are listed in the program tab as well as the Department for Speech Language and Hearing Sciences. Admitted students who are interested in the certification in Bilingual Speech-Language Pathology may follow the admission requirements listed on the department website.
