

M.S. in Kinesiology

The Master of Science degree with a major in Kinesiology is directed toward students who wish to:

1. Increase their knowledge and competency in the various exercise science areas of Exercise Physiology, Biomechanics, Motor Control and Human Performance;
2. Complete a master's degree in preparation for continuing their education in a doctoral program;
3. Prepare for higher-level jobs in the many professions that deal with human movement, physiology, and physical activity.

Admission Requirements

For full admission into the master's program in Kinesiology, students must present:

1. An undergraduate degree in Kinesiology or a related field from an accredited institution with an overall GPA of at least 3.0 on a 4.0 scale.
2. Written statement of purpose for pursuing graduate degree
3. Applicants whose degrees are from non-English speaking institutions are required to demonstrate English proficiency. Please consult the Graduate School (<https://www.utep.edu/graduate/future-students/applicant-timelines.html>) website for required scores.
4. Written statement of purpose for pursuing graduate degree

For **conditional admission** into the master's program in Kinesiology, students must present:

1. An undergraduate degree from an accredited institution with an overall GPA of at least 2.8 on a 4.0 scale.
2. At least 12 hours of undergraduate Kinesiology core courses approved by the program graduate advisor.
3. Written statement of purpose for pursuing graduate degree.
4. Applicants whose degrees are from non-English speaking institutions are required to demonstrate English proficiency. Please consult the Graduate School (<https://www.utep.edu/graduate/future-students/applicant-timelines.html>) website for required scores.

Grade Requirements

The following applies to fully admitted students: Any grade of D or F will result in a referral to the full Kinesiology Graduate Faculty for review. Barring extenuating circumstances, this will result in a recommendation to the Graduate School for dismissal from the Kinesiology Graduate Program. A grade of C is not considered acceptable graduate-level work. One grade of C is permitted as long as the overall GPA does not fall below 3.0. A second C will result in a referral to the full Kinesiology Graduate Faculty for review. Barring extenuating circumstances, this will result in a recommendation to the Graduate School for dismissal from the Kinesiology Graduate Program.

The following applies to conditionally admitted students: Students admitted to the program on a conditional basis will have a probationary status in their first semester. During this time, any grade of F, D or C will result in a referral to the full Kinesiology Graduate Faculty for review. Barring extenuating circumstances, this will result in a recommendation to the Graduate School for dismissal from the Kinesiology Graduate Program. Following the successful completion of the probationary semester at a GPA of 3.0 or greater, students will be moved to full admission status. Please see above section related to grade requirements of full admission students.

Degree Plans

Two degree tracks are available:

-Research Track (Thesis)

-Professional Track (Non-thesis)

Research Track (Thesis)

Code	Title	Hours
MS in Kinesiology (All courses require a grade of C or better)		
Exercise Science Core		
Select three courses from the following:		
KIN 5361	Biomech. Tech & Basis of Sport	
KIN 5368	Coronary Intervention	
KIN 5371	Measure Tech in Exer Physiolog	
KIN 5372	Advanced Exercise Physiology	
KIN 5373	Motor Neuroscience	
KIN 5381	Muscular Physiology & Health	
Total Hours		9

Research & Statistics

Select one course from the following:

STAT 5385	Applied Regression Models	
EDRS 5305	Educational Research Methods	
EDRS 5306	Qualitative Research	
Total Hours		3

Electives

Select four courses from the following:

KIN 5361	Biomech. Tech & Basis of Sport	
KIN 5364	Advanced Topics in Kinesiology	
KIN 5368	Coronary Intervention	
KIN 5371	Measure Tech in Exer Physiolog	
KIN 5372	Advanced Exercise Physiology	
KIN 5373	Motor Neuroscience	
KIN 5381	Muscular Physiology & Health	
KIN 5378	Directed Individual Studies	
KIN 5379	Graduate Research	
Total Hours		12

Thesis

KIN 5398	Thesis	3
KIN 5399	Thesis	3
Total Hours		6

Total Program Hours**30****Professional Track (Non-Thesis)**

Code	Title	Hours
MS in Kinesiology (All courses require a grade of C or better)		
Exercise Science Core		
KIN 5361	Biomech. Tech & Basis of Sport	3
KIN 5368	Coronary Intervention	3
KIN 5372	Advanced Exercise Physiology	3
KIN 5373	Motor Neuroscience	3
KIN 5381	Muscular Physiology & Health	3
Total Hours		15

Research & Statistics

Select 1 course from the following:

STAT 5385	Applied Regression Models	
EDRS 5305	Educational Research Methods	
EDRS 5306	Qualitative Research	

Electives

Select 4 courses from the UTEP Graduate catalog: 12

Total Program Hours**30**
