

M.A. in Sociology

Admission Requirements

1. Admission is based on the entire record of the applicant and availability of departmental resources.
2. Students must submit a completed admissions form to the UTEP graduate school, including references and statement of purpose, as well as transcripts.
3. A bachelor's degree from an accredited U.S. university or proof of equivalent education at a foreign institution. Generally, students should have a 3.0 (B) grade point average, or equivalent, particularly in Sociology courses and over the last 60 hours of undergraduate work.
4. The department also grants a limited number of teaching and research assistantships to selected graduate students. Other forms of financial assistance are also available. For further information, please contact the graduate advisor.
5. Applicants whose degrees are from non-English speaking institutions are required to demonstrate English proficiency. Please consult the Graduate School (<https://www.utep.edu/graduate/future-students/applicant-timelines.html>) website for required scores.

Degree Requirements

The following are the requirements of the 33-hour MA in Sociology degree program:

1. Each candidate must take:

SOCI 5398 or SOCI 5396	Thesis I Non-Thesis Project I	3
SOCI 5399 or SOCI 5397	Thesis II Non-Thesis Project II	3
Total Hours		33

2. Students are required to enroll in one methods elective, based on their interests. This includes SOCI 5322 Seminar in Qualitative Methods and other special topics methods electives such as, but not limited to, advanced statistics or Geographic Information Systems.

3. No later than the completion of 24 credits in the program, the student shall declare to the Graduate Advisor in writing her or his intention to choose the thesis plan or the applied non-thesis plan. Students may change between plans, but should be aware that this may result in taking additional credit hours to complete the degree. More information on the specific expectations of the thesis plan and the applied non-thesis plan is available from the Graduate Advisor.

4. Students enrolled in the thesis plan must enroll at least one semester in SOCI 5398 Thesis I and SOCI 5399 Thesis II and successfully propose and defend the thesis before a committee while enrolled in SOCI 5399. Each thesis course can only count once toward the total number of hours needed for the degree. Thesis committees consist of at least two departmental representatives and one member from outside the department.

5. Students enrolled in the applied non-thesis plan must enroll at least one semester in SOCI 5396 Non-Thesis Project I and SOCI 5397 Non-Thesis Project II and successfully propose and defend the thesis before a committee while enrolled in SOCI 5397 Non-Thesis Project II. Each non-thesis project course can only count once toward the total number of hours needed for the degree. Project committees consist of at least two departmental representatives and one member from outside the department.

6. Candidates may pursue a minor in Anthropology. Candidates taking this option must obtain the consent of the graduate advisor and his/her thesis director, and may take up to 9 hours of anthropology courses from the list of advanced undergraduate courses approved for graduate credit. The plan of anthropology courses must be approved by the graduate advisor and thesis advisor, once assigned. Additional requirements are listed in item 6 below.

7. Undergraduate courses and independent studies approved for graduate credit will count toward the degree only by permission of the graduate advisor and thesis advisor, once assigned. To use an undergraduate course for graduate credit, the following additional work is required: additional reading of original scholarly books and articles above and beyond textbooks; additional written work such as research on specific topics or hypotheses, literature reviews, or identifying research problems in specific areas; and at least five additional meetings with the professor to discuss the added requirements and their completion. The extra requirement must be specified by the instructor in a syllabus.

8. Each candidate will submit a PDF that must be approved by the candidate's committee and submitted to the graduate school following their requirements.

9. Candidates will be allowed only one grade lower than a "B" in coursework taken for graduate credit. No grade lower than a "B" will be accepted in a required course. Candidates must maintain a minimum 3.0 GPA.
