MLS 5361. Lead. in Diverse Cultures.
Leadership in Diverse Cultures: The purpose of this course is to study the enactment of leadership to value and facilitate diversity, and the effect of diversity on the process of leadership. There are many faces of diversity that go beyond gender, race, culture and ethnicity. People in organizations and societies differ in how they were raised, who raised them, whether they are from urban and/or rural areas, the religious practices they observe if they observe such practices, and political beliefs, to name just a few sources of diversity.
