Tuition and Fees

The University of Texas at El Paso Tuition and Fee Information

Pursuant to state law, The University of Texas System Board of Regents (the Board) is authorized to set tuition. Tuition and fees are subject to change by legislative or regental action and become effective on the date enacted. The Texas Legislature does not set a specific amount for any particular student fee. The student fees assessed are authorized by state statute; however, the specific fee amounts and the determination to increase fees are made by UTEP administration and The University of Texas System Board of Regents. The Board will consider proposed tuition and fee increases at an upcoming meeting. The tuition rates for this academic year will be set after the Board meets. The student's estimated tuition bill will be available at that time. The student's actual tuition bill will be distributed in July of this year. Registration will not be completed until tuition has been paid. Policies governing payment or refund of tuition, fees and other charges are approved by the Board of Regents of The University of Texas System and comply with applicable state statutes.

UTEP now offers two tuition rate plans:

- Traditional Rate Plan
- Guaranteed Rate Plan (Optional - students must opt-in)

For more information about these plans and the current Tuition and Fee schedules, please visit the Student Business Services website: http://sbs.utep.edu. For additional information, please contact the Student Business Services Office at 915.747.5116.

Miner Gold Card

The Miner Gold card is the official identification card of the UTEP. The Miner Gold card is the property of the University and is non-transferable. All students must carry their Miner Gold cards at all times while on University property in order to obtain services.

The Miner Gold card is issued to all students upon enrollment in at least one credit hour. A current photo ID (e.g., license, state ID, passport) must be presented before a Miner Gold card is issued. The Miner Gold card remains active as long as the student is enrolled in courses at UTEP. No article of clothing, hats, or sunglasses on the head will be allowed when the Miner Gold card photograph is taken.

All first-time enrolled students will be assessed a one-time, non-refundable $10.00 fee. Any card rendered unusable, damaged, lost, or stolen will be assessed a $20.00 fee. A new photo will be taken every time a card is re-issued.

Various debit declining balance plans can be utilized by Miner Gold card holders. Enrollment in these plans is automatic. Participation is optional.

The University reserves the right to modify or change any or all parts of the Miner Gold card at any time. The Miner Gold card must be surrendered to University officials upon request.

Accessible Exempt Parking

Disabled Veterans, Congressional Medal of Honor Recipients, Former Prisoners of War, Pearl Harbor Survivors, and Purple Heart Recipients whose vehicles display the special license plates issued by the State of Texas or applicable state of issuance are exempt from payment of the fees at paid short-term surface metered parking. These individuals are exempt from the payment of the fees, upon proper registration with Parking and Transportation Services, for any University surface parking permit for which they are otherwise eligible, in accordance with State law. This privilege applies to the veteran only and not anyone else driving the vehicle. This parking privilege does not apply to (1) a parking space or area located in a controlled access parking facility if at least 50 percent of the number of parking spaces or areas designated specifically for persons with physical disabilities on the property of the institution of higher education are located outside a controlled access parking facility; (2) an area temporarily designated for special event parking; or (3) an area where parking is temporarily prohibited for health or safety concerns.

Methods of Payment

Cash, checks, MasterCard, Visa, American Express, and Discover will be accepted for payment of tuition and fees. The University offers the following two payment methods during long semesters (fall and spring) only.

1. Full payment of tuition, mandatory and incidental fees at the time of registration.
2. 20% payment of tuition, mandatory and incidental fees at the time of registration, with the remaining balance due in four (4) equal installments by the 15th of each month.

Items for which payment CAN be deferred under Method 2 include the following:

- Tuition
- Mandatory Fees (Library Fee, Student Services Fee, Student Union Fee, Health Center Fee, International Studies Fee, Technology Fee, Recreational Fee)
- Incidental Fees (Course-related Fees Equipment Fees, Supplemental Fees for Fine Arts, Major Fees)

Items for which payment CANNOT be deferred include the following:

- Student General Property Deposit
- Discretionary Fees (Liability Insurance, Health Insurance)
- Optional Fees (such as Parking Decal Fees)
- Amounts due for financial holds or from prior periods
- Optional Incidental Fees (such as Late Registration, Add/Drop, Installment Tuition Handling Fees, etc.)

The following additional policies will apply to deferral of payments:

1. All student account balances due from previous semesters, including items associated with payment deferred, must be paid in full before a student can begin registration for a subsequent semester.
2. A payment plan selected at the time of registration will be binding and will be applied in any subsequent add/drop activities; however, pre-payment of outstanding balances will be accepted. The University shall assess the Installment Tuition Handling Fee of $20.00 for those students choosing payment Method 2; this charge is payable at the time of registration. An Installment Tuition Delinquency Fee of $15.00 will be assessed at the end of the sixth and eleventh week of classes if the payment due for that period is not paid in full.
3. The Office of Student Business Services will send e-mail notifications as appropriate to students paying tuition and fees under Method 2.
4. The courses for which a student is enrolled on the official census date—the 12th class day in a long semester—will be the basis for the student's tuition and fees assessment. Except for students who officially withdraw up to the end of the refund period as indicated in the online Class Schedule at www.utep.edu/register (http://www.utep.edu/register/), no reduction in amounts due will be made after this date; further, the student is obligated to pay the assessed amounts whether or not class attendance is subsequently interrupted or terminated.
5. A student who fails to provide full payment of tuition and fees, including any late fees assessed, to the University when the payments are due is subject to one or more of the following:
   a. Bar against registration at the institution;
   b. Withholding of grades, degree, and official transcript; and/or
   c. All penalties and actions authorized by law.

Refund of Tuition and Fees

Refund policies are established by, and are subject to change by, the Legislature of the State of Texas and are applicable to withdrawals and dropped courses. Refunds of tuition, general fees, and student services fees will be made under the following conditions.

Refund Policy (per Texas Education Code 54.006 (https://statutes.capitol.texas.gov/Docs/ED/htm/ED.54.htm#54006)) • Complete Withdrawal (by Parts of Term)
Refund policies are established by, and are subject to change by, the Legislature of the State of Texas and are applicable to complete withdrawals.

Refunding of applicable tuition and fees for complete withdrawals (by parts of term) will be made under the following conditions.

Parts of Term 10 weeks or longer: Prior to the first class day 100% During the first five class days 80% During the second five class days 70% During the third five class days 50% During the fourth five class days 25% After the fourth five class days No Refund

Parts of Term 5 weeks but fewer than 10 weeks

Prior to the first class day 100% During the first, second, or third class day 80% During the fourth, fifth, or sixth class day 50% Seventh day of class and thereafter No Refund

Parts of Term 5 weeks or fewer

Prior to the first class day 100% During the first class day 80% During the second class day 50% During the third class day and thereafter No Refund

UTEP will refund tuition, fees, and charges paid by a sponsor, donor, or scholarship to the source rather than directly to the student who has withdrawn, if the funds were made available through the institution.

Note: Percentage of refund is based on the total tuition and mandatory and incidental fees assessed, not on the amount paid. Unless the student withdraws completely from school prior to the first official class day, the student is responsible for a percentage of total tuition and mandatory and incidental fees assessed. Students should contact the Student Business Services Office at sbs.utep.edu or 915.747.5116 with any questions.

Dropped Course(s) - Drop refers to dropping course(s) and still being enrolled in at least one other class during same part of term.

- Refund policies are established by, and are subject to change by, the Legislature of the State of Texas and are applicable to dropped course(s).
- Refund of applicable tuition and fees will be made for course(s) from which students drops course by census day (first twelve (12) class days of a long semester or corresponding class days for shorter period for a summer session term.

Census Date is defined as the 12th class day for Fall or Spring semesters and Summer terms of 10 weeks or longer; the fourth class day for terms of more than five weeks, but less than 10 weeks. For terms of five weeks or less, please refer to the official registration calendar online (https://asap.utsa.edu/terms.htm) for the specific semester in which the drop occurs.

Note: Percentage of refund is based on the total tuition and mandatory and incidental fees assessed, not on the amount paid. Unless the student withdraws completely from school prior to the first official class day, the student is responsible for a percentage of total tuition and mandatory and incidental fees assessed. Students should contact the Student Business Services Office at sbs.utep.edu or 915.747.5116 with any questions.

Refunding for Student in Title IV Programs

As an institution participating in programs under Title IV of the Higher Education Act of 1965 as amended (Act), The University of Texas at El Paso is required to refund unearned tuition, fees, room and board, and other charges to certain students attending the institution for the first time who have received a grant, a loan, or work assistance under Title IV of the Act, or whose parents have received a loan on their behalf under 20 United States Code, Section 1087-2. The refund is required if the student does not register for, withdraws from, or otherwise fails to complete the period of enrollment for which the financial assistance was intended. No refund is required if the student withdraws after a point in time that is sixty percent of the period of enrollment for which the charges were assessed. A refund of tuition, fees, room and board, and other charges will be determined for students who withdraw prior to this time. The refund is the larger of the amount provided for in Section 54.006, Texas Education Code or a pro rate refund calculated pursuant to Section 484B of the Act. If the student charges were paid by Title IV funds, a portion or all of the refund will be returned to these programs.

Return of Title IV Aid (R2T4) Policy

How a withdrawal affects financial aid

Federal regulations require Title IV financial aid funds to be awarded under the assumption that a student will attend the institution for the entire period in which federal assistance was awarded. When a student withdraws from all courses for any reason, including medical withdrawals, he/she may no longer be eligible for the full amount of Title IV funds that he/she was originally scheduled to receive. The return of funds is based upon the premise that students earn their financial aid in proportion to the amount of time in which they are enrolled. A pro-rated schedule is used to determine the amount of federal student aid funds he/she will have earned at the time of the withdrawal. Thus, a student who withdraws in the first month of classes has earned less of his/her financial aid than a student who withdrew in the seventh week. Once 60% of the semester is completed, a student is considered to have earned all of his/her financial aid and will not be required to return any funds.

For example, if you completed 35% of your payment period or period of enrollment, you earn 35% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the payment period or period of enrollment, you earn all the assistance that you were scheduled to receive for that period.

Federal law requires schools to calculate how much federal financial aid a student has earned if that student:
• completely withdraws, or
• stops attending before completing the semester, or
• does not complete all modules (courses which are not scheduled for the entire semester or payment period for which he/she has registered at the time those modules began).

Based on this calculation, University of Texas at El Paso (UTEP) students who receive federal financial aid and do not complete their classes during a semester or term could be responsible for repaying a portion of the aid they received. Students who do not begin attendance must repay all financial aid disbursed for the term.

The Title IV programs that are covered by this regulation are:

Federal Pell Grants
Teacher Education Assistance for College and Higher Education (TEACH) Grants, Stafford Loans, Parent Loan for Undergraduate, Students (PLUS) Loans, Graduate PLUS Loans, Federal Supplemental, Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

**Tuition Limit in Cases of Concurrent Enrollment**

When a student registers at more than one public institution of higher education at the same time, tuition charges shall be determined in the following manner (Texas Education Code, section 54.011):

1. The student shall pay the full tuition charge to the first institution at which the is student is registered; and in any event the student shall pay an amount at least equal to the minimum tuition specified in this code.
2. If the minimum tuition specified in this code for the first institution at which the student is registered is equal to or greater than the minimum tuition specified in this code for the second institution at which the student is registered concurrently, the student shall not be required to pay the specified
minimum tuition charge to the second institution in addition to the tuition charge paid to the first institution, but shall pay only the hourly rates, as
provided in this code, to the second institution.

3. If the minimum tuition specified in this code for the first institution at which the student is registered is less than the specified minimum tuition charge
at the second institution (that is, if the second institution has a higher minimum tuition charge specified in this code), then the student shall first
register at the institution having the lower minimum tuition and shall pay to the second institution only the amount equal to the difference between the
student's total tuition charge at the second institution and the student's total tuition charge at the first institution, but in no case shall the student pay
to the second institution less than the hourly rates as provided in this code.

4. If a student is considered to be a Texas resident and therefore qualified to pay Texas resident tuition rates by one institution at which the student
is registered, the student shall be considered a Texas resident at each of the institutions at which the student is concurrently registered for the

except at institutions covered by Section 54.231 of this code.

• Withhold the student's grades and official transcripts;
• Withhold a degree to which the student might otherwise be entitled;
• Delinquent accounts will be referred to a Collection Agency and Credit Bureau; and/or
• Other penalties and actions authorized by law.

Returned Checks
A student who pays the University a check, draft, or money order for services or goods that is not subsequently honored by payor's bank and the fault is
not that of the bank, and who does not pay the University the amount due within ten (10) class days after the receipt of written notice that the bank has
refused payment, can be subject to disciplinary action. A student who pays tuition and fees with a check, draft, or money order that is not subsequently
honored by payor's bank, the fault not being that of the bank, can be withdrawn from the University for non-payment of tuition and fees if the student

check will be referred to the County Attorney for collection. Additional collection fees will be assessed by the County Attorney's Office. All check writers
whose check is returned will be assessed a $30.00 fee for each check not honored by payor's bank. This assessment is subject to change without prior
