Interdisciplinary Graduate Programs

UTEP offers six interdisciplinary graduate programs. These programs are housed in various colleges: Graduate School, Health Sciences, Liberal Arts, and Science. Interdisciplinary studies programs allow students to develop customized plans of study.

- Master of Multidisciplinary Studies ([http://catalog.utep.edu/grad/graduate-studies/master-of-multidisciplinary-studies/](http://catalog.utep.edu/grad/graduate-studies/master-of-multidisciplinary-studies/))
- MS in Professional Science ([http://catalog.utep.edu/grad/college-of-science/college-science-deans-office/professional-ms/](http://catalog.utep.edu/grad/college-of-science/college-science-deans-office/professional-ms/))
- Ph.D. in Environmental Science and Engineering ([http://catalog.utep.edu/grad/graduate-studies/environmental-science-engineering-interdisciplinary-phd/](http://catalog.utep.edu/grad/graduate-studies/environmental-science-engineering-interdisciplinary-phd/))
- Ph.D. in Materials Science and Engineering (Interdisciplinary ([http://catalog.utep.edu/grad/graduate-studies/materials-science-engineering-phd/](http://catalog.utep.edu/grad/graduate-studies/materials-science-engineering-phd/)))
