Vision

The Department of Industrial, Manufacturing, and Systems Engineering strives to graduate industrial, manufacturing, and systems engineers of the highest quality and to conduct state-of-the-art research for the end-to-end enterprise.

Mission

- To make a high quality, relevant engineering education available to all residents of the El Paso bi-national region.
- To provide students with a set of skills, knowledge and attitudes that will permit its graduates to succeed and thrive as engineers and leaders.
- To prepare its graduates to pursue life-long learning, serve the profession and meet intellectual, ethical and career challenges.
- To maintain a vital, state-of-the-art research to provide its students and faculty with opportunities to create, interpret, apply and disseminate knowledge for the end-to-end enterprise.
