

Minor in African American Studies

The African American Studies minor complements any Bachelor's degree. Graduates with a minor in African American Studies are prepared to attend graduate or professional school or choose career paths in the following fields: education; science and technology; performing and visual arts; news media; social, community and humanitarian services; journalism; urban planning; health-care delivery and administration; business; politics and government; and many other career pathways.

Marketable Skills

1. Critical thinking: Analyze and evaluate issues in order to solve problems and develop informed opinions
2. Global awareness: Understand and appreciate people, cultures, and ideas from around the world that impact our community
3. Leadership: Step up, think, and act critically and creatively to bring others together to accomplish a common task
4. Research: Be able to search, investigate and critically analyze information in response to a specific research question
5. Social responsibility: Act ethically and responsibly for the benefit of society and the public good
6. Writing: Be able to write in a clear and comprehensible manner to the reader

The African American Studies minor provides the following marketable skills: Critical thinking and ethical reasoning and oral and written communication skills.
