

# BA in English

---

This major prepares students to teach English Language Arts at the middle school and high school levels.

Bachelor of Arts in English (with an Emphasis on Teaching)—This degree plan is designed for students who are interested in pursuing a teaching position in the secondary English/Language Arts classroom.

*NB: Before students are given a bar code that will allow them to take the TExES test, they must successfully write a textual analysis essay, which will be evaluated by members of the English Education Program. Students who wish to take the TExES test must also earn a minimum score of 80% on the practice TExES test to be administered by the College of Education. Once these requirements have been met, students must then obtain the signatures of the Director of English Education and the professor who teaches ENGL 4355.*

## Marketable Skills

Students will develop the following marketable skills:

- Critical thinking: Analyze and evaluate issues in order to solve problems and develop informed opinions
- Pedagogy: Co-create knowledge and skills with students of different backgrounds
- Writing: Communicate using text in a clear and concise manner

This program teaches students to teach writing and literary analysis effectively at the middle school and high school levels.

Students have an opportunity to work with professors who have experience teaching at the high school and middle school levels, enabling them to sharpen their teaching skills

## Concentrations

### 7-12 ELA Certification

Teacher Certification—Students seeking secondary certification in English must complete the BA requirements as described above. Certification requires 36 semester hours of courses in the major as described in the Liberal Arts section of this catalog. Students should note that ENGL 4355 cannot be counted as part of the major since it is required for the minor in Education. For further information on requirements for certification, students should refer to the catalog sections for the College of Liberal Arts and the College of Education.

## Fast Track

The Fast-Track Program (<http://catalog.utep.edu/admissions/undergraduate/fast-track/#text>) enables outstanding undergraduate UTEP students to receive both undergraduate and graduate credit for up to 15 hours of UTEP course work as determined by participating Master's and Doctoral programs.

Not all undergraduate programs have elected to participate in the Fast Track option, so students should see their departmental graduate advisor for information about requirements and guidelines. A list of courses that have been approved for possible use at the graduate level is found here (<http://catalog.utep.edu/admissions/undergraduate/fast-track/#fastrackcoursestext>).
