

BA in Spanish

Spanish language studies at UTEP reflect this growing importance of the Spanish-speaking world right here on the US-Mexico border, nationally and worldwide. Our basic language program allows students to fulfill their language requirement for the College of Liberal Arts and for some majors in other UTEP colleges. Our basic language courses are organized in two distinct tracks: one for Heritage speakers and the other for non-Spanish speakers. For students who want to further their language skills, the Department of Languages and Linguistics offers upper-division language courses; for an on-site language experience, students can study abroad.

Students can earn a BA in Spanish: 30 semester hours, at least 24 of which must be advanced (3300-4300) level. Course numbers SPAN 1301 and SPAN 1302 cannot count toward the major. Courses SPAN 2301 and SPAN 2302 or SPAN 2303 and SPAN 2304 must be completed in a language other than the major in order to fulfill the Liberal Arts language requirement.

Marketable Skills

Students will develop the following marketable skills:

- Critical thinking: Analyze and evaluate issues in order to solve problems and develop informed opinions
- Pedagogy: Co-create knowledge and skills with students of different backgrounds
- Writing: Communicate using text in a clear and concise manner

Concentrations

All-levels Spanish Certification

Teacher Certification—Programs which combine the BA degree with secondary certification are available in French and Spanish. An endorsement is also available for ESL. Several Linguistics and Spanish courses are required for certification in Bilingual Education. Interested students must consult the departmental undergraduate advisor. Certification for secondary teaching in the following three areas requires the courses listed:

Fast Track

The Fast-Track Program (<http://catalog.utep.edu/admissions/undergraduate/fast-track/#text>) enables outstanding undergraduate UTEP students to receive both undergraduate and graduate credit for up to 15 hours of UTEP course work as determined by participating Master's and Doctoral programs.

Not all undergraduate programs have elected to participate in the Fast Track option, so students should see their departmental graduate advisor for information about requirements and guidelines. A list of courses that have been approved for possible use at the graduate level is found here (<http://catalog.utep.edu/admissions/undergraduate/fast-track/#fastrackcoursestext>).
