

Latin American and Border Studies

Return to: College of Liberal Arts (<http://catalog.utep.edu/undergrad/college-of-liberal-arts/>)

Welcome to the Center for Inter-American and Border Studies (CIBS). The Center is a focus for UTEP activities concerning Borders, Latin America, and the Caribbean. While an emphasis on our local region is interwoven through most UTEP activities, CIBS creates a central point of leadership and support for other units in academic programs, research, and outreach activities.
