

BA in Security Studies Online

Students receiving a Bachelor of Arts in Security Studies tend to pursue careers in federal law enforcement, the intelligence community, private security companies, or the military. They may go on to pursue a Master of Arts in security studies or intelligence studies, such as our Defense and Strategic Studies or Intelligence and National Security Studies graduate programs.

The online Bachelor of Arts in Security Studies is designed to provide students with a comprehensive, critical examination of the contemporary security environment and the ability to understand and analyze complex security problems confronting the United States and international community. This specialized online degree has been developed primarily with active homeland security, intelligence, law enforcement, and military professionals in mind; and who are seeking undergraduate degree completion in a field of study highly relevant and practical for their careers. This undergraduate program is also very useful for students wanting to enter into these fields. All qualified prospective students are welcome to apply for admission. Students completing this rigorous undergraduate program are well prepared for graduate study in Security Studies or a closely related field and/or are equipped academically and professionally to make an immediate impact in a host of security-related careers.

NOTE: THIS PROGRAM IS OFFERED ONLY IN THE DISTANCE LEARNING/ONLINE FORMAT.

Marketable Skills

Students develop the following marketable skills:

1. Communication: Communicate in discussions, through oral briefings, or in small group activities.
2. Critical thinking: Students learn about intelligence analysis, which entails thinking critically about complex security problems and being able to express judgments related to courses of action
3. Global awareness: Students learn about global security-related issues
4. Research: Students learn how to gain open source information related to security issues and how to statistically analyze quantitative information to address security problems
5. Time management: Working online requires that students effectively manage their time for each course to complete weekly modules in a timely fashion
6. Writing: Written briefings and papers are required
7. Policy evaluation: Understanding the link between intelligence and policy and evaluating the effectiveness of policy in addressing security issues
8. Security assessment: Obtain information related to security risks and evaluate those risks objectively

Program Requirements

1. Complete a minimum of 120 semester hours.
2. Fulfill the general education, block electives, and foreign language core requirements for the Bachelor of Arts degree in the College of Liberal Arts.
 - a. Security Studies majors need to fulfill the mathematics requirement by taking MATH 1320.
3. Complete six (6) credit hours of intermediate levels Spanish. Pre-requisites may exist before taking the intermediate level courses. Spanish is the only foreign language available online.

Major Requirements (48 semester hours)

The major requirements for the Bachelor of Arts in Security Studies consists of 16 required courses (48 semester hours). This total is exclusive of UTEP's Core Curriculum requirements and the College of Liberal Arts General Education block elective and language requirements.

All courses are offered in an intensive, 7 week online format for maximum scheduling flexibility for full-time, working students. This rigorous, but ultimately convenient undergraduate program can be taken on a full-time or part-time basis.

This undergraduate program consists of required major courses at the freshman, sophomore, junior, and senior level. There are no major course electives. All students take a standard program of required major courses. This highly specialized online undergraduate degree does not have a minor requirement.

Academic Standards

Students must maintain a cumulative GPA of 2.0 or better in order to earn the Bachelor of Arts in Security Studies. Students with a semester GPA below 2.0 will be placed on academic probation by the program. Students will have only twelve (12) semester hours (four courses) to return to "good" academic standing with a GPA of 2.0 or better. Those students failing to return to good academic standing after 12 semester hours may be dismissed from the undergraduate program.

Fast Track

The Fast-Track Program (<http://catalog.utep.edu/admissions/undergraduate/fast-track/#text>) enables outstanding undergraduate UTEP students to receive both undergraduate and graduate credit for up to 15 hours of UTEP course work as determined by participating Master's and Doctoral programs.

Not all undergraduate programs have elected to participate in the Fast Track option, so students should see their departmental graduate advisor for information about requirements and guidelines. A list of courses that have been approved for possible use at the graduate level is found here (<http://catalog.utep.edu/admissions/undergraduate/fast-track/#fasttrackcoursestext>).
