ARTS 3320. Whole Arts.
ARTS 3320: Whole Arts (2-2) The course explores major themes from the visual and performing arts and uncovers art tools, methods, and resources for teaching and learning. The themes are presented in lectures, activities, and interviews. Creative laboratory sections are held on and off campus. This course provides an inter-arts experience that addresses Texas State requirements in the arts for classroom teachers certifying EC-6. This course is required for the major sequence in the EC-6 degree plan and can also simultaneously fulfill the Visual and Performing Arts requirement for University Core. Prerequisites: Junior standing and course fee required.
