Bilingual Education Courses

Courses

BED 3344. Parent & Community Adv in BED.
This course focuses on the connections between schools/education programs, students and families, specifically in diverse bilingual/multilingual communities. It emphasizes relationship building and the funds off knowledge parents and communities possess. Students will gain skills in advocating for culturally and linguistically diverse children and families in early schooling and community-based education settings.

Restricted to class of JR,SO,SR

BED 3345. Biliteracy Development.
Biliteracy Development (3-1) Develops an understanding for first and second language acquisition, its stages, and conventions. Integrates this knowledge base and applications in the interrelated components of reading and writing across all developmental stages. In addition, develops a knowledge base of the principles, components and stages of reading development for children who develop literacy in two languages. Integrates strategies to build on the linguistic knowledge that children bring in their first language in order to teach them a concept not yet developed. Taught in Spanish. Prerequisites: Admission to Teacher Education.
