MSED 4393. Intern./Intermed/Middle Gr I.
Internship in Intermediate and Middle Grades I (0-0-15) As part of the internship, students enroll in Internship I of the field-based program. They are grouped in cohorts, assigned to intermediate or middle grades (4-8) and scheduled all morning or all afternoon throughout the semester. In addition to classroom teaching duties, interns are enrolled in university classes and Internship Seminars that help them apply their theoretical understandings to actual practice. The fieldwork consists of assisting in student-centered classroom instruction mostly through tutorial duties and small group work.

MSED 4394. Intern/Intermed/Middle Gr II.
Internship in Intermediate and Middle Grades II (0-0-27) Continuation of MSED 4393. Students enroll in Internship II of the field-based program and participate in student-centered classroom instruction as members of the instructional team. In addition to classroom teaching duties, interns are enrolled in university classes and Internship Seminars that help them apply their theoretical understandings to actual practice. Interns demonstrate that they can synthesize the knowledge, values, and experience or earlier semesters in developing an effective professional style. Interns are scheduled all day throughout the semester.
