

Graduate Certificate in Business Administration Online

The UTEP Graduate Certificate in Business Administration (for non-business students) will provide the region the much needed graduate business education in healthcare, education, and pharmacy among other business sectors. Students who successfully complete the certificate requirements can to choose complete an MBA by enrolling in the balance of six courses in the MBA Program.

The program is offered through UTEP Connect. (<https://www.utep.edu/extendeduniversity/utepconnect/>)

Admissions Requirements

Requirements for admission:

1. An undergraduate degree from UTEP or a similarly accredited university with a CGPA of 2.75 or better
2. Submission of a complete application to the certificate program through the Graduate School*

**Students who have not taken quantitative coursework may be asked to take an online MBA primer before being allowed to enroll.*

Successful completion of the UTEP Certificate in Business Administration requires successfully completing the 12-credit hour degree plan with a minimum GPA of 3.0.
