Switching between UTEP Connect and on-campus Criminal Justice programs

Students having less than 24 hours of CRIJ major courses must go through a Change of Major Consultation with the UTEP Connect Advisor. On-campus undergraduate students who have completed 24 hours or more of CRIJ major course requirements are ineligible to change their major to the UTEP Connect Criminal Justice program. UTEP on-campus students may change their major to the online UTEP Connect Criminal Justice program one time only. Students wishing to return to the on-campus degree program (after having changed their major to the online UTEP Connect program) must appeal to the department chair in writing.

Current UTEP Connect undergraduate students wishing to change their major from the fully online major to the on-campus program must select and complete a minor. Any petitions for change of major from the fully online UTEP Connect program to the campus-based UTEP program are subject to approval by the department chair of the program receiving the student. UTEP Connect students may change their major to the campus-based Criminal Justice major one time only. Students wishing to return to the fully-online Criminal Justice degree program (after having changed their major to a campus-based program) must appeal to the Dean of Extended University in writing. All courses are offered on an intensive, 7 week online format for maximum scheduling flexibility for full-time, working students. This rigorous, but ultimately convenient undergraduate program can be taken on a full-time or part-time basis.
